

Pricing Information

The fees and costs given in our Pricing guide are based on our experience of the likely cost of dealing with similar matters, or are based on our best estimate of the likely amount of professional time incurred. In some circumstances, we may need to revise our fee, for example, if your instructions change, or unforeseen or exceptional circumstances arise.

Unless we agree otherwise, we charge an agreed fee for specific work.

Our hourly rate ranges from £165 to £267, depending on the Solicitor handling the case and the complexity of the work.

In certain circumstances, we can agree on a fixed fee with a client in all our areas of practice. Our fixed fee is from £750 plus VAT, depending on the nature of work. **In very exceptional cases, we may be able to accept fees lower than the minimum fees indicated in our Pricing Guide.**

Initial Consultation

We offer an initial no obligation consultation which can either be in person or by telephone. The cost of this service is £100 excluding VAT.

VAT

Curling Moore Solicitors & Advocates is registered with HMRC for VAT purposes and our VAT number is 226729101.

All of the prices quoted exclude VAT. This is charged at the prevailing rate and is payable on our fees and on most expenses which we are likely to incur on your behalf.

VAT is payable subject to your immigration status in the United Kingdom.

Disbursements

Disbursements are costs related to your matter that are payable to third parties, such as court fees, Home Office fees, or barrister's fees **and they are borne by clients.** We handle the payment of the disbursements on your behalf to ensure a smoother process **except the client instructs otherwise.**
